Formal Complaint:

Subject: Complaint regarding civic issue in my residential area To: Municipal Grievance Cell

Complaint Details: I am writing to lodge a formal complaint regarding excessive noise pollution in my residential area. For the past three months, there has been continuous construction work happening during restricted hours causing severe disturbance to residents. The construction machinery operates without proper noise barriers. This has caused health issues including sleep deprivation and stress-related ailments for my family. Despite multiple complaints to the local authorities, no action has been taken. I request immediate intervention. Requested Action: Please investigate this issue, take corrective action at the earliest, and provide a written status update.

Yours faithfully, John Doe
