Sub: Requesting to furnish information about Noise Pollution in Residential Area u/s 6(1) of RTI act.

Kindly supply the certified copies in the format convenient to you from the date of complaint filed:

1. Action Taken Report (ATR) on the complaint described in complaint ID MC-2024-001
2. Name and designation of the officer(s) responsible for handling this complaint
3. Expected timeline for resolution and final status
4. Details of all communications sent/received regarding this complaint
5. Reason(s) for any delay in addressing this complaint, if applicable
6. Cost estimate for obtaining the certified copies

Complaint Context:

I am writing to lodge a formal complaint regarding excessive noise pollution in my residential area. For the past three months, there has been continuous construction work happening during restricted hours (6 PM to 6 AM), causing severe disturbance to residents. The construction machinery operates without proper noise barriers or soundproofing measures. This has caused health issues including sleep deprivation and stress-related ailments for my family. Despite multiple complaints to the local au...

If the above asked information is not available in your office, kindly forward my application to the concerned public authority, as per 6(3) of RTI act -2005
